PUBLIC NOTICE

Request For Proposal (RFP) CONNECT OUR SCHOOLS PROJECT - LOT 01 Provision of Desktop Computers

The National ICT Authority (NICTA) invites experienced and reputable suppliers to submit proposals for the provision of desktop computers for the "Connect our Schools" project.

This initiative aims to empower students and teachers by providing reliable desktop computers to enhance teaching and learning including digital learning, research, and other ICT-based activities in schools.

Interested suppliers are required to demonstrate their capability and experience in delivering high-quality products. Proposals must include detailed product specifications, pricing, and delivery timelines.

The Request For Proposal (RFP) document, outlining detailed specifications and submission requirements, is available for download on our website: <https://nicta.gov.pg> or <https://uas.nicta.gov.pg>.

Proposals should be submitted via email to uas@nicta.gov.pg.

Submission Deadline: 30th August, 2024

NICTA looks forward to collaborating with dedicated suppliers to advance teaching and learning through this project.
