

National Information and Communications Technology Authority

PUBLIC NOTICE

Request For Proposal (RFP) CONNECT OUR SCHOOLS PROJECT LOT 6 Provision of Desktop and Laptops Computers

The National Information Communication Technology Authority (NICTA) invites experienced and reputable suppliers to submit proposals for the Provision of Desktop and Laptop Computers under LOT 6 of the Connect Our Schools Project (CSP).

This initiative aims to enhance digital learning by providing desktop computers, to students and teachers in underserved schools across the country. The project recognizes the critical role of digital literacy and access to online educational resources in modern education.

Instructions to Bidders:

1. UAS24-RFP-CSPL6-DC-v1: Provision of Desktop & Laptop Computers

Interested suppliers must demonstrate their capability and experience in supplying and delivering computers for educational use. Proposals should include a detailed specification of the computers, pricing, and delivery timelines.

The Request For Proposal (RFP) documents, outlining detailed specifications and submission requirements, is available for download on our website: <https://www.nicta.gov.pg> or <https://uas.nicta.gov.pg>.

Proposals should be submitted via email **ONLY** to uas@nicta.gov.pg.

Submission Deadline: 14th November, 2025

NICTA looks forward to collaborating with dedicated suppliers to advance teaching and learning through this project.
